28 NOV 1968

MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report  
for OCTOBER 1968

1. The attached tables reflect some of the activities of certain components of the Office of Security during OCTOBER 1968.

25X1A13d

3. The overall processing time for an applicant case during the past month was 67 days as compared to 84 days in October 1967. Analysis of the factors involved reflects that the investigative field time was lessened by 8 days and the processing/appraisal time in the Personnel Security Division was reduced by 9 days. The Security Records and Communications Division processing time remained constant at 3 days.
